**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a competitive provider, and feel Americans seriously need and deserve more competition for broadband services.

Broadband is critical for my small home business, and it's high time Americans have access to the kind of excellent fiber optic services such as are provided in parts of Europe.
